Dear Member:

Is your mailbox cluttered with home loan ads?

These days, you're probably getting offers from every bank and mortgage company in town. And they're all telling you to act now or lose out on a great deal. Some of those offers may be confusing or even misleading. How do you know which loan is right for you?

Get the answers you need right in your own branch.

We understand that mortgage loans can be complicated. That's why Mission Fed now offers knowledgeable Real Estate Officers in every branch to help you make sense of all that fine print.

We'd like to introduce you to your Real Estate Officer, Susie Jones. For your convenience, Susie is available to help you with all your mortgage loan needs right in your neighborhood at the Mission Valley branch. Simply call to make an appointment and Susie will go over every detail with you. She'll even compare our offers to the ones you're getting in the mail.

Don't be fooled by "the low rate lure." If it sounds too good to be true, then there's probably a catch.

Other lenders may try to pull you in with low rates, but there could be hidden costs like high fees and broker mark ups. Let Susie help you find the mortgage loan that fits in with your budget. She'll explain the application process and show you ways to save.

Cut through the red tape with a mortgage lender you can trust. For over 44 years, Mission Fed has been helping San Diego homeowners just like you.

Call Susie today at 858-546-2039. The Mission Valley branch is open Monday – Thursday from 9:30 – 5:00 and Fridays from 10:00 – 6:00.
